OFF-SITE PROJECTS FOR SCHOOLS & SCHOOL GROUPS

Food Drive

Help stock CCSC's three food pantries with nutritious and nonperishable food. A list of needed pantry items and a sample flyer can be found on our website (ccschouston.org) under "Get Involved/Donate Food & Clothing." Food donations are appreciated and accepted all year, but they are most needed March through September.

Can Opener Drive

Many people need a can opener to be able to eat the food they receive from CCSC's food pantries. Collect new can openers to be distributed with food packages. Can openers are accepted all year.

Clothing Drive

Collect gently worn and clean clothing for CCSC's Clothing Pantry. Clothing, shoes and accessories (belts, ties, new underwear, new socks, coats in winter months) for men, women and children are always needed. Items are accepted all year.

Backpack Tags

Decorate backpack tags with cheerful pictures and positive messages to encourage Back To School clients as they prepare for the new school year. Please deliver tags to CCSC by mid-July.

Holiday Toys, Books & Cards

Support CCSC's annual Jingle Bell Express program by collecting new, nonviolent toys and books. A list of the most requested gifts is on our website (ccschouston.org) under "Ways to Give/Jingle Bell Express." You can also spread cheer by making holiday cards to be distributed to clients during our Jingle Bell Express Community Event. Please deliver donations and cards to CCSC by early December.

The mission of CCSC is to serve the poor, hungry, disabled and otherwise needy while respecting their religious, ethnic or cultural differences.

For questions, to discuss a project idea, or to arrange a drop-off of donations, contact Director of Youth Services & Youth Engagement Sarah Hans at shans@ccschouston.org.
